Education

- 1991 **Ph.D. in Sociology**
Areas of Concentration: Social Demography, Medical Sociology,
 Social Epidemiology
M.S. in Preventive Medicine-Epidemiology
 University of Wisconsin, Madison, Wisconsin
- 1983 **M.A. in Sociology**, Washington University, St. Louis, Missouri
- 1981 **B.A. cum laude** (Sociology and English), St. Olaf College, Northfield,
 Minnesota

Positions Held

- July, 2016 – Present **Professor and Associate Dean for Academic Affairs**, Gerald R. Ford
 School of Public Policy, University of Michigan, Ann Arbor, MI
- April, 2019 - Present James B. Hudak Professor of Health Policy
- July, 2015–June, 2016 **Professor and Associate Dean for Research and Policy**
Engagement, Gerald R. Ford School of Public Policy, University of
 Michigan, Ann Arbor, MI
- July, 2015 - Present **Professor (courtesy)**, Health Management and Policy, School of Public
 Health, University of Michigan, Ann Arbor, MI
- 2011 – 2015 **Professor and Chair**, Department of Health Policy and Management,
 Milken Institute School of Public Health, George Washington University,
 Washington, DC
Professor, Trachtenberg School of Public Policy and Public Administration,
 George Washington University, Washington, DC
- 2008 – 2011 **S.J. Axelrod Collegiate Professor of Health Management and**
Policy, School of Public Health, University of Michigan, Ann Arbor, MI

2005 – 2011	Chair , Department of Health Management and Policy, School of Public Health, University of Michigan
2010 – 2011	Professor , Gerald R. Ford School of Public Policy, University of Michigan
2006 – 2011	Research Professor , Survey Research Center, Institute for Social Research, University of Michigan
2006 – 2008	Professor , Department of Health Management and Policy, School of Public Health, University of Michigan
2002 – 2011	Director and Co-Director , Robert Wood Johnson Scholars in Health Policy Research Fellowship Program, University of Michigan
2003 – 2006	Research Associate Professor , Survey Research Center, Institute for Social Research, University of Michigan
2001 – 2006	Associate Professor , Department of Health Management and Policy, School of Public Health, University of Michigan
1996 – 2001	Assistant Professor , Department of Health Management and Policy, School of Public Health, University of Michigan
1994 - 1996	Robert Wood Johnson Foundation Scholar in Health Policy Research , University of Michigan
1992 - 1994	Senior Researcher , Marshfield Medical Research and Education Foundation (a division of Marshfield Clinic), Marshfield, Wisconsin
1989 - 1992	Epidemiologist , Wisconsin Division of Health, Bureau of Public Health, Madison, Wisconsin
1989 - 1992	Senior Research Specialist , Center for Health Policy and Program Evaluation, University of Wisconsin-Madison
1986 - 1989	NICHHD Predoctoral Trainee/Research Assistant , Center for Demography and Ecology, University of Wisconsin--Madison
1983 - 1986	Program Analyst , Hennepin County Bureau of Community Corrections, Planning and Evaluation Unit, Minneapolis, Minnesota

Current Memberships, Boards and National Committees

Elected Member (2012), National Academy of Medicine, National Academies of Science

Elected member (2018), National Academy of Social Insurance

Director, Board of Directors, Arbor Research Collaborative for Health

Director, Board of Directors, Packard Health Clinic (Federally Qualified Health Center)

Major Research Funding

6/19 – 5/20 MDHHS Housing Interventions
Principal Investigator: Paula Lantz
Michigan Department of Health and Human Services
Total Award: \$100,000

- 12/15 – 5/19 *University of Michigan Policies for Action Research Hub*
Principal Investigator: Paula Lantz
 Robert Wood Johnson Foundation
 Total Award: \$1,200,000
- 3/17 – 2/18 *M-Cubed Project: Sustainable Business Models for Detroit-Based Walk Your Heart to Health Program*
Principal Investigator: Amy Schulz, UM School of Public Health
 University of Michigan
 Total Project Funding: \$60,000
- 8/14 – 2/16 *Opportunities for Pay for Success Demonstrations in HHS Programs*
Principal Investigator: Paula Lantz
 Assistant Secretary for Planning and Evaluation, DHHS
 Total Award: \$252,678
- 8/12 – 12/14 *Strategies for Assisting Patient Decisions Regarding Controversial Evidence-Based Guidelines*
Principal Investigator: Paula Lantz
 Patient Centered Outcomes Research Institute (PCORI)
 Total Award: \$591,411
- 10/11 – 1/14 *Ronald McDonald House Global Impact Study*
Principal Investigator: Paula Lantz
 Ronald McDonald House Charities, Oak Brook, Illinois
 Total Award: \$167,000
- 8/11 – 3/14 *Clinical Translation Science Award: Children's National Medical Center, partnering with George Washington University*
 National Institutes of Health
 My role: Co-chair of Community Engagement/Health Policy Component
- 9/12 – 8/14 *HIV/AIDS Policy Advising to DC Government Department of Health*
 Principal Investigator: Naomi Seiler
 HAHSTA Division of DC Department of Health
 My role: Program Evaluation Advisor
- 9/13 – 8/14 *Social Ecological Framework to Improve Youth Smoking Outcomes*
 Principal Investigator: Kimberly Horn
 National Institutes of Health/National Cancer Institute
 My role: Co-Investigator
- 9/13 – 3/14 *Projecting the Impact of Health Insurance Expansion on Hypertension Screening and Cardiovascular Outcomes*
 Principal Investigator: Suhui Li My role: Co-Principal Investigator
 American Heart Association
- 10/12 – 4/13 *National Survey of Weight-Related Quality of Life*
 Principal Investigator: Paula Lantz
 Project of *STOP Obesity Alliance*; funding for survey from Novo Nordisk, Orexigen, Sanofi, Takeda, and Vivus
 Award for Survey: \$125,000

- 8/09 – 07/11 *Organizational Structure and Change in State Health Departments*
Principal Investigator: Paula Lantz
Center for Healthcare Research and Transformation, Michigan
Total Award: \$234,000
- 8/06-7/11 *The Robert Wood Johnson Scholars in Health Policy Research Program*
Principal Investigator/Director: Paula Lantz
The Robert Wood Johnson Foundation
Total Award: \$6,627,525
- 4/07 – 3/09 *Modeling the Impact and Costs of Radon Policy for Lung Cancer Control*
Principal Investigator: David Mendez,
Co-Principal Investigator: Paula Lantz
National Institutes of Health (National Cancer Institute)
Total Award: \$765,705
- 7/05-6/09 *Understanding Social Disparities in Health and Aging*
Principal Investigator: Paula Lantz
Co-Principal Investigator: James House
National Institutes of Health (National Institute on Aging)
Total Award: \$1,568,931
- 8/02-07/07 *The Robert Wood Johnson Scholars in Health Policy Research Program*
Principal Investigator/Director: Paula Lantz (Co-Director: Michael Chernew)
The Robert Wood Johnson Foundation
Total Award: \$5,200,000
- 9/00-07/05 *Intergovernmental Personnel Agreement with CDC*
To provide policy consultation and program evaluation research
Centers for Disease Control and Prevention, Division Cancer Prevention & Control
Total Direct Costs: \$80,000
- 9/00-12/04 *Understanding Social Disparities in Health and Aging*
Principal Investigator: James House
Co-Principal Investigator: Paula Lantz
National Institutes of Health (National Institute on Aging)
Total Award: \$1,751,368
- 5/01-4/04 *Determinants and Outcomes of Surgical Treatment for Early Stage Breast Cancer: Is DCIS Different than Invasive Disease?*
Principal Investigator: Steven Katz/ Co-Principal Investigator: Paula Lantz
National Institutes of Health (National Cancer Institute)
Total Award: \$2,156,029
- 12/02-11/03 *The Emergence of Doulas as Childbirth Paraprofessionals in the U.S.*
Principal Investigator: Paula Lantz
Walter J. McNerney Award Fund
Total Award: \$25,000
- 6/98-9/02 *Assessment of Strategies for Delivering Breast and Cervical Cancer Early Detection Services to Native American Women*
Principal Investigator: Paula Lantz
Battelle Center for Public Health Research and Evaluation/CDC Prime
Total Award: \$253,000

- 9/99-9/01 *Cross-Site Evaluation of CDC Urban Research Centers*
Principal Investigator: Paula Lantz
Macro International, Inc./CDC Prime
Total Award: \$39,205
- 10/97-9/99 *Treatment Decisions Comparing DCIS and Invasive Breast Cancer Patients*
Principal Investigator: Paula Lantz
National Institutes of Health (National Cancer Institute)
Total Award: \$71,949
- 4/97-3/00 *Substance Abuse Policies and Infant Health*
Principal Investigator: Harold Pollack
Co-Principal Investigator: Paula Lantz
Robert Wood Johnson Foundation
Total Award: \$297,200
- 10/96 - 9/98 *Follow-Up and Treatment Issues in the National Breast and Cervical Cancer Early Detection Program*
Principal Investigator: Paula Lantz
Battelle Center for Public Health Research and Evaluation/CDC Prime
Total Award: \$204,700
- 5/94 - 10/94 *Hispanic Migrant Mobile Cancer Screening Project*
Principal Investigator: Paula Lantz
CDC and the Wisconsin Department of Health and Social Services
Total Award: \$24,000
- 1/93 - 8/94 *Wisconsin Breast and Cervical Cancer Screening Project*
Co-Principal Investigator/Principal Investigator of large subcontract
National Institutes of Health (National Cancer Institute)
Total Award: \$710,00 for subcontract
- 4/92 - 8/94 *Migrant Farmworker Cancer Control Research Project*
Project Director/Principal Investigator of subcontract: Paula Lantz
National Institute for Occupational Safety and Health
Total Award: \$230,000

Invited Speeches/Presentations (selected list)

Keynote speaker. Great Lakes Healthcare Financing Management Association. “Advancing Population Health During a Pandemic: The Role of the Healthcare System.” October 20, 2020.

Invited speaker. “Population Health in the United States: Debates, Denominators and New Policy Directions.” Jacob Marschak Interdisciplinary Colloquium on Mathematics in the Behavioral Sciences at UCLA. University of California-Los Angeles, February, 2020.

Keynote speaker. “Population Health Management: Promise, Progress and Pitfalls.” Cleveland Populations Health Symposium, Cleveland Clinic, Cleveland, September, 2019.

Invited speaker. “Addressing Patient Social Needs: Promise and Challenges.” Griffith Leadership Center Biannual Symposium, University of Michigan School of Public Health, Ann Arbor, September, 2019.

Invited speaker. “Overview of Pay for Success as a Tool to Address Social Determinants of Health.” Pay for Success and Social Determinants of Health Convening in Michigan. East Lansing, MI, May, 2019.

Invited speaker. “Moving Upstream to Improve Population Health.” Health Policy Institute of Ohio conference. Canton, Ohio, April, 2019.

Plenary Session Speaker. “Policy-Relevant Evidence for Population Health: Promise and Challenges.” Interdisciplinary Association for Population Health Science Conference, Washington, DC, October. 2018.

Invited Speaker, “Social Impact Bonds: Potential and Challenges in Bringing Private Sector Investors to Public Problems.” University of Michigan, Center for Finance, Law and Policy. January, 2018.

Invited Speaker, “Social Impact Bonds as a Strategy for Spreading Social Service and Mental Health Interventions.” University of Arkansas, Department of Psychological Science, Graduate Professional Education Colloquium Series. November, 2017.

Invited Panelist, “Delivering on the Promise of Population Health.” University of Michigan School of Public Health Symposium *Delivering on the Promise of Population Health*. October, 2017.

Invited Speaker, “The Promise and Pitfalls of Social Impact Bonds in Addressing Population Health Disparities.” University of Minnesota School of Public Health, October, 2017.

Invited Panelist, “Applying Pay for Success to Medicaid: Lessons Learned.” Urban Institute Pay for Success Symposium, Washington, DC, June, 2017.

Invited Panelist, “So You Just Earned a PhD—Navigating the Academic Job Market.” AcademyHealth Annual Research Meeting, New Orleans, LA, June, 2017.

Panelist, “The Future of Obamacare: Repeal, Repair, or Replace?” University of Michigan School of Public Health, April, 2017.

Invited Speaker, “Using Social Impact Bonds to Finance Population Health Improvement Efforts.” New York University, School of Medicine, Department of Population Health Grand Rounds. March, 2017.

Invited Speaker, “When Less is More: Communicating with Consumers about Guidelines that Recommend Against Use of Clinical Preventive Services.” University of Michigan Institute for Healthcare Policy and Innovation, Research Seminar Series, February, 2016.

Invited Speaker, “Social Impact Bonds and Population Health: Promise and Challenges.” AcademyHealth Health Policy Conference, Washington, DC, February, 2016.

Invited Speaker, “Research Designs and Frameworks for Population Health Improvement.” Institute of Medicine Roundtable on Population Health Improvement, Workshop on “Setting a Research Agenda for Population Health. National Academies of Science, Washington, DC, September, 2015.

Invited Speaker, “The Role of Research in Population Health Policy: The Case of Raising the Age of Tobacco Access.” Building Bridges to Improve Population Health Symposium. National Academies of Science, Washington, DC, September, 2015.

Invited Speaker, “Health Policy and Cancer Control.” National Cancer Institute Summer Curriculum in Cancer Prevention, National Institutes of Health, Bethesda, Maryland, July, 2014.

Invited Speaker, “The Secondary Prevention of Obesity.” Symposium on Social and Health Sciences and Public Policy. University of Michigan, June, 2014.

Invited Speaker, “Health Care Reform and Population Health.” Symposium on Population Health: Past, Present and Future. University of Michigan, School of Public Health, April, 2014.

Invited Speaker, “Health Policy and Cancer Control.” National Cancer Institute Summer Curriculum in Cancer Prevention, National Institutes of Health, Bethesda, Maryland, July, 2013.

Invited Speaker, “The ACA and Clinical Preventive Services: Communicating with Patients.” GW School of Medicine Grand Rounds, March, 2013.

Invited Panelist, “Women’s Health: Policy, Politics and Pragmatism.” American Bar Association 10th Annual Health Law Summit, Washington, DC, December, 2012.

Invited Speaker, “Health Disparities: The Role of Health Risk Behaviors.” University of Wisconsin, Center for Demography and Ecology 50th Anniversary Symposium, Madison, Wisconsin, October, 2012.

Invited Speaker, “Health Policy and Cancer Control.” National Cancer Institute Summer Curriculum in Cancer Prevention, National Institutes of Health, Bethesda, Maryland, July, 2012.

Invited Speaker, “Policy Translational Research for Improving Population Health.” Symposium on Applied Research to Improve our Health System. University of Michigan, Ann Arbor, May, 2012

Invited Keynote Speaker, “Improving Population Health Through Community-Based and Policy Translational Research.” Research Day, George Washington University, Washington, DC, March, 2012.

Invited Speaker, “The Urban Ghetto and Health.” Princeton University summer course on Exploring the Global Ghetto. Rome, Italy, July, 2011.

Invited Keynote Speaker, “Breast Cancer and Health Policy: Current Landscapes and Debates.” 6th Annual Pacific Northwest Excellence in Breast Care Conference, Portland, Oregon, October, 2010.

Invited Speaker, “Public Policy and Cancer Prevention and Control.” The Economy and Cancer Health Disparities Conference, University of Michigan. Ann Arbor, May, 2010.

Invited Speaker, “Social Determinants of Health: 10 Main Points.” Michigan Department of Community Health, Health Disparities and Minority Health Section, Capacity Building Training, May, 2010.

Invited Keynote Speaker. “Health Care Reform: Policies, Politics and Progress.” 57th Annual Economic Outlook Conference, University of Michigan. Ann Arbor, November, 2009.

Invited Speaker, “Public Policy and Advocacy” and “The Role of Research in Policy Advocacy,” Workshop on *Health Policy Advocacy*, sponsored by the William Davidson Institute, University of Michigan and Roche Brazil. Sao Paulo, Brazil, April, 2008.

Philip M. Farrell Population Health Distinguished Alumni Lecture. "Population Medicine: Bringing Public Health Perspectives to Medical Care." University of Wisconsin—Madison, March, 2007.

Elizabeth Copeland Memorial Lecture. "Breast Cancer Surgical Treatment Decisions: What Constitutes Quality of Care?" Henry Ford Health System, Detroit, Michigan, March, 2007.

Workshop presenter. "Changing Public Policy." American Society for Preventive Oncology Annual Meeting, M.D. Anderson Cancer Center, Houston, Texas, March, 2007.

Invited speaker. "Community-Based Participatory Research and Health Disparities." California Endowment, Los Angeles, California, November, 2006.

Keynote speaker. "Understanding the Links Between Poverty and Health: Does Health Services Research Matter at the Margin or the Core?" Minnesota Health Services Research Conference, Minneapolis, Minnesota, March, 2006.

Invited plenary speaker. "Lessons from the Trials and Tribulations of Tobacco Control for Obesity Prevention." Meeting on Empirically Based Prevention Strategies - Implications for Obesity. University of Duisburg-Essen, Essen, Germany, February, 2006.

Invited speaker. "Combining SEER and Survey Data to Study Surgical Treatment Choice Among Women with Breast Cancer." CALGB (Cancer and Leukemia Group B Clinical Trials) Annual Meeting. Raleigh, North Carolina, September, 2005.

Invited speaker. "Evaluation of Case Management Activities in the NBCCEDP." Advisory Board Meeting for CDC's National Breast and Cervical Cancer Early Detection Program. Atlanta, Georgia, May, 2005.

Keynote speaker. "Comprehensive Cancer Control: The Importance of Reaching Diverse Populations." Wisconsin's Comprehensive Cancer Control Plan, Transition to Implementation Summit. Madison, Wisconsin, April, 2005.

Keynote speaker. "Case Management in the NBCCEDP: Results from an Evaluation of Programs' Early Experience." Centers for Disease Control and Prevention Conference for Case Management in the National Breast and Cervical Cancer Early Detection Program. New Orleans, May, 2004.

Invited speaker. "Surgical Treatment Choice and Satisfaction Among Breast Cancer Patients: Results from a Population-Based Survey." Presented at the Ohio State University Comprehensive Cancer Center. Columbus, Ohio, February, 2004.

Invited speaker. "Youth Smoking Prevention: Lessons Learned and Continuing Challenges." Presented to the Committee on Developing a Strategy to Prevent and Reduce Underage Drinking, National Academy of Sciences. Washington, DC, October, 2002.

Invited session speaker. "Evaluating Community-Based Interventions." *Midwest Cardiovascular Disease Conference*. Detroit, Michigan; April, 2001.

Keynote speaker. "Social Inequalities in Health: An Overview." At National Institute of Environmental Health Services workshop: *Decreasing the Gap: Developing a Research Agenda on Socioeconomic Status, Environmental Exposures, and Health Disparities*. Chicago; July, 1999

Invited plenary speaker. "Explaining Social Inequalities in Health: The Usual Suspects Are Not Guilty." Minnesota Public Health Association conference. St. Paul, Minnesota; April, 1999.

Invited plenary speaker. "Socioeconomic Factors, Health Risk Behaviors and Mortality." Prevention 99 Conference. Washington, DC; March, 1999

Peer-Reviewed Abstracts/Presentations (Selected List Since 2000)

Lantz PM. October, 2018.

"Pay for Success: An Innovative Public-Private Approach to Financing Public Health and Social Welfare Interventions." Vietnam Symposium on Leadership and Public Policy, Hanoi, Vietnam.

Iovan S and Lantz PM. October, 2017

Plenary Session: The Promise and Pitfalls of Pay for Success as an Innovative Financing Strategy for Population Health. Interdisciplinary Association for Population Health Sciences Annual Meeting. Austin, Texas.

Lantz PM, Iovan S, Redmond S. June, 2017
